MEMORANDUM FOR : Director of Personnel

SUBJECT : Selections for the Midcareer Executive Development
Course No. 9

1. Nominations for participation in subject course have now been received from the Support components. A "spread sheet" on the nominees as well as Biographic Profiles and Career Plans are attached. [] has reviewed the names and suggested that I forward them for your review. I have underlined in red on the "spread sheet" the names of eight individuals whom we think should be named as the DD/S principals. The balance would be alternates.

2. For the most part the selection of principals and alternates by the offices seems to have been determined by the age of the candidates, the older candidate having preference. The principal candidate from the Office of Communications, [] is an exception. However, he is to be posted abroad shortly and [] wishes to afford him this opportunity prior to his departure.

3. Your views regarding the tentative selections would be appreciated. The Office of Training has asked that Mr. Bannerman name his candidates by 4 April.
